Mother tongue: Italian

1 WORK EXPERIENCE

1.1 LYNX S.P.A. 2014 – PRESENT

Developer for bank/financial software. Main projects:

- Working on a POC of new infrastructure as WPF developer, side by side with Microsoft team in Turin.
- Worked on paperless related projects (C# and WCF technology).

1.2 Freelance IT Consultant 2012 - PRESENT

Development and consulting projects.

Technologies used (mainly): HTML5 and Javascript (AngularJS, Bootstrap, NodeJS), C# (WPF, WCF)

Continue the collaboration with B&B and Ambiente.it.

1.3 B&B di Bubola Raffaele & C. S.a.S. 2010 - 2013

Analysis, development and project management in a small team to create the product BIL-X and BIL-X Cloud (in short: starting from customer accounts to create the book of consolidated financial statements passing through **XBRL** entities). Relationships with customers, deployments and training. This product is now used in more than eight big holding companies. Reporting with **Sap BPC** and **SAP BW** (BEx Analyzer, Query Designer and Transport) and small customization with ABAP language. Installed Kofax Capture in several bank groups.

1.4 ARCUA S.R.L. 2004 TO 2011

Customer management, software design and development, project management.

Over the years, was the main technical reference for many companies, among which:

Progress & Partners S.r.l. (now divided into 7Gold and Actitude, media and communication);

Pipinato Calzature S.p.A. (which operates in the large-scale retail trade, footwear);

ZA Ricambi S.r.l. (large-scale retail trade auto parts).

In 2007 and 2008 has worked with DE.RE.COM as developer (professional home automation and digital signage).

From 2009 onwards, collaborated with Ambiente.it (Italian leader in management software for waste management and ERP) during which time developed custom add-ons with SAP BO SDK, had responsibilities as project manager, took care of clients and executed analysis.

Since 2009 collaborated as software developer for Hospital Engineering (management software for hospitals).

2 EDUCATION AND TRAINING

2.1 UNIVERSITY OF PADUA JULY 2013

Bachelor's Degree in Social Science - Laurea triennale in Scienze Sociologiche: Curriculum processi culturali, differenze, comunicazione.

Sociology, psychology, statistics, and communication studies.

Thesis title: Social Media Marketing: ANT analysis.

Level: 100/110

2.2 SAP EDUCATION IN ENERGY PARK, MILAN JANUARY 2011

SAP Business Planning & Consolidation (Training)

Principal subjects: functional application of reporting tools SAP BPC, especially applied to consolidated financial statements.

3 PERSONAL SKILLS AND COMPETENCES
